

## Life in the Word, Part 8, 1 John 4:1-21

*Agape* - The lover understands the value of the person, causing them to see this person in great esteem, awe, admiration, wonder and sincere appreciation. A self-sacrificial love that moves the lover to \_\_\_\_\_ (Rick Renner)

He is the \_\_\_\_\_ of all Love.

What is the \_\_\_\_\_? It's Jesus and His Agape Love!

This is LOVE = Christ's sacrifice on the cross for our \_\_\_\_\_.

Key - We start with \_\_\_\_\_ love for us.

*telios* - Greek: to be fully matured, complete, perfected.

Indicates the \_\_\_\_\_, maturing process of the Agape love of God.

Agape Love completes and perfects us to be \_\_\_\_\_ like Christ.
